POMDR
is a resource and advocate for senior dogs and senior people on California's Central Coast. We find loving homes for dogs whose guardians can no longer care for them and for senior dogs in shelters.

From the DIRECTORS

When we started POMDR in 2009, we had no idea how widespread the need for our services would be or how

much support we would get from our community. Since our founding, POMDR has rescued 954 dogs who were either surrendered by guardians or pulled from shelters, and we have helped 267 guardians keep their dogs with them by providing financial assistance or volunteer dog-walking or foster care assistance.

In May 2015, we were able to add a Volunteer/Outreach Manager to our staff. This enabled us to increase the number of volunteers on our team by 100 and to increase the number of dogs in our care at any given time from 60 to 80. The extra staff support also helped increase our adoptions by 30% from 2014 to 2015!

Our goal for 2016 is to rescue at least 200 more dogs left behind.

Thank you for all your support,

“This is a most difficult chapter of my life, more like a bad dream. People like you are what have helped me get up in the morning. Thank you from the bottom of my heart.

I had to surrender my two American Eskimos when I was hospitalized with cancer and could not care for them. I've been in the hospital for two months. I've been so worried and praying for them every day. I am so comforted to know that you found them a good home together. Thank you.
 Connie N., Beneficiary of POMDR Services

Roggie has truly been the sweetest, smartest, most wonderful dog I have ever had. I love him dearly (seems to be mutual). So grateful to your organization for making these 'unions' possible.

Programs & ACCOMPLISHMENTS

Helping Paw Program

We were able to assist **92** seniors, hospice patients, and other pet guardians facing challenging times in keeping their beloved pets (cats and dogs) with them as long as possible and providing a bridge to prevent them from giving them up. Assistance included help with veterinary expenses, temporary foster care or boarding, dog walking, and help getting dogs to veterinary and grooming appointments.

Intakes

We took in **105** dogs from guardians who received peace of mind by knowing their dog would be cared for when they could no longer care for them. We also brought **96** shelter dogs into our program who would otherwise have been euthanized. We provided medical care, loving foster homes and a second chance at life.

Adoptions

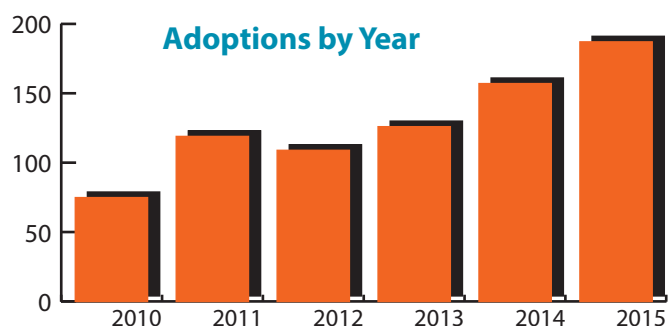

Through our successful adoption program, **187** dogs found forever homes. Adopters find their POMDR dogs through our website, national adoption websites, ads in local papers, adoption events, word of mouth, and by coming into the POMDR Bauer Center.

Volunteers

Our team of **549** volunteers provided foster care, transportation for dogs, help at adoption and fundraising events, home checks for fosters and adopters, help walking dogs, making follow up calls to adopters, grant writing, and helping at the POMDR Bauer Center with office work and greeting the public.

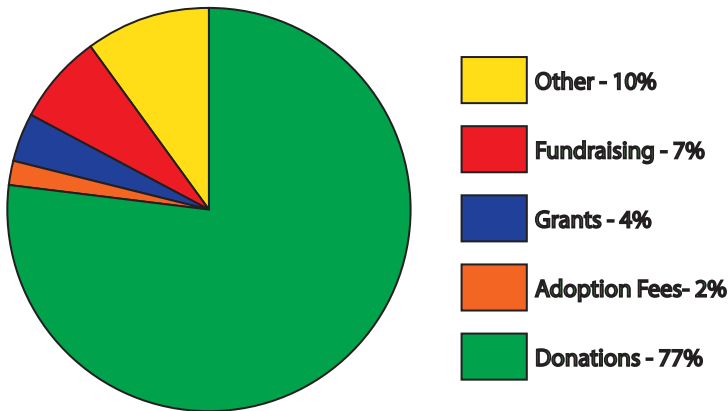

Perpetual Care

We now have **30** pet guardians signed up for our Perpetual Care Program. These pet guardians know their dogs are guaranteed a lifetime of loving care in a POMDR foster or adoptive home if they pass away or are no longer able to care for their dogs themselves.
