From the DIRECTORS

Looking back on 2016, we are excited at all that POMDR has accomplished. Our small dedicated staff, hands-on board of directors,

and passionate volunteers and community supporters helped us surpass all of our goals for the year. With the support of our community, we were able to increase intakes and adoptions by 35% in 2016!

As of 12/31/16, POMDR has rescued 1,180 dogs who were either surrendered by guardians or pulled from shelters, and we have helped 462 guardians keep their dogs with them by providing financial assistance, volunteer dog-walking or foster care assistance.

Our goal for 2017 is to rescue at least 275 dogs left behind and to help at least 75 senior citizens keep their dogs with them as long as possible.

Thank you for all your support,

Carie Broecker

POMDR held 75 adoption events in 2016

“Thank you for your compassion, understanding and making me feel safe in my choices. After hearing Spenser went home already with his new family, I was so happy! But then hearing [his adopter] thanking me for the ‘gift’ was just too much. I’ll never forget this experience and I’ll never forget POMDR.

**THANK
YOU FOR
HELPING
DOGS LIKE
ME!**

“ You and your team have done an absolutely heroic job of building community support for a segment of the local dog population that would likely suffer a tragic fate if not for your efforts. I'm so appreciative of what you do!

Programs & ACCOMPLISHMENTS

Helping Paw Program

We were able to assist **138** seniors, hospice patients and other pet guardians facing challenging times in keeping their beloved pets (cats and dogs) with them as long as possible providing a bridge to prevent them from giving them up. Assistance included help with veterinary expenses, temporary foster care or boarding, dog walking, and help getting dogs to veterinary and grooming appointments.

Intakes

We took in **156** dogs from guardians who received Peace of Mind knowing their dogs would be cared for when they could no longer care for them. We also brought **119** shelter dogs into our program who would otherwise have been euthanized. We provided medical care, loving foster homes and a second chance at life.

Adoptions

Through our successful adoption program, **254** dogs found forever homes. Adopters find their POMDR dogs through our website, national adoption websites, ads in local papers, adoption events, word of mouth, and by coming into the POMDR Bauer Center.

Volunteers

Our team of **599** volunteers provided foster care, transportation for dogs, help at adoption and fundraising events, home checks for fosters and adopters, help walking dogs, follow up calls to adopters, grant writing, and help at the POMDR Bauer Center with office work and greeting the public.

Perpetual Care

We now have **43** pet guardians signed up for our Perpetual Care Program. These pet guardians know their dogs are guaranteed a lifetime of loving care in a POMDR foster or adoptive home if the guardians pass away or are no longer able to care for their dogs themselves.

First Annual Lucky Dog Gala

On St. Patrick's Day 2016, we held our first annual Lucky Dog Gala at a private club in Pebble Beach. One hundred and thirty dedicated supporters helped us raise **\$147,000** to support our lifesaving work.

Keystone DONORS

Our Keystone Donors have played an integral role in helping to create a strong foundation for POMDR. Each has donated over \$100,000.

“ Words cannot express how very grateful I am for the financial help you provided for the ultrasonic diagnostic testing and treatment for my German Shepherd. When I am able, I will “give back” in some way. I was lost and my dog was suffering until you helped us.
