

## Free Exam List for Recently Adopted Dogs

The following veterinary clinics offer free one-time limited exams for dogs recently adopted from POMDR. POMDR is not affiliated with the clinics listed below and is not responsible for any expenses incurred as a result of examination. Appointments should be made within ten days of adoption, unless otherwise noted. Please remember to bring a copy of your adoption contract, which should have all vaccine record dates filled out at the top, to the appointment and have your veterinarian request all medical records from any clinics at which your new dog has already been treated.
